

Ottawa, May 5, 1927.

Dear Sir:

Last fall when submitting your report on the Chrysler's Farm historic site you suggested that the two cannons and the fence surrounding the plot should be painted this spring. You are authorized to proceed with this work, the cost of which should not exceed the sum of \$10.00.

The necessary material required for this work should be purchased locally to the best advantage, and the accounts secured duly certified to by yourself and forwarded to this office for payment. Your account covering the labour involved should include the number of hours worked and the price charged per hour.

Yours faithfully,

Commissioner.

A. W. Allan, Esq.,
Chrysler's Farm,
