

November 6, 1957.

Mr. J. H. Jackson,
Rehabilitation Engineer,
The Hydro-Electric Power Commission
of Ontario,
P. O. Box 310,
Morrisburg, Ontario.

Dear Mr. Jackson:

Re: Memorial to Battle
of Chrysler's Farm

This will confirm our verbal arrangement of
October 29; in connection with the moving of the
above memorial.

Ontario Hydro wish to remove this memorial
from the flooded area and it was agreed that space
would be provided in the south-east corner of our
storage yard in the Chrysler Park, and that Ontario
Hydro would move the memorial including the two
cannons to this location and then erect them in
1958 on top of the mound, on foundations prepared
by the Ontario-St. Lawrence Development Commission.

Yours very truly,

M. R. Lemon,
Commission Engineer.
