Mr. J. D. Herbert,
Chief,
National Parks Branch,
National Historic Sites Division,
Department of Northern Affairs & National Resources,
Ottawa, Ontario.

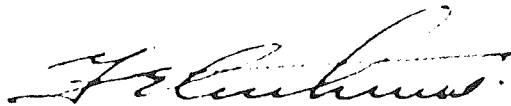

Dear Mr. Herbert:

Re: Chrysler Farm Plaque

With reference to your letter dated November 2, 1959 addressed to Mr. Tindal, I am pleased to advise the recast Chrysler Farm Plaque has been installed in the monument and I am enclosing two photographs which were taken since the installation.

In view of the time of year, it was felt undesirable to take a photograph of the full monument and area, however, if you would like, I would be pleased to forward you a print of the full monument late next spring. For the time being, I hope the enclosed photos will be of interest to you.

Yours very truly,

G. W. Arthurs,
Public Relations Officer.
