C.W. Tindal, Esq.,
Secretary-Treasurer,
St. Lawrence Development Commission,
Morrisburg, Ontario.

Dear Mr. Tindal:

For some time this Division has been aware of the misspelling evident on our Chrysler Farm plaque which I understand is now erected at Chrysler Farm Battle Memorial Park. The Historic Sites and Monuments Board of Canada recently recommended that the plaque be recast. To this effect I would appreciate very much if you would have the plaque removed and shipped to Mr. J.P. Oswald, Sales Manager of the Winnipeg Brass Company, 600 Clifton Street, Winnipeg, Manitoba.

Of course, all cost incurred should be charged to this office. Your co-operation in this matter is appreciated.

Yours sincerely,

J. D. HERBERT

J.D. Herbert,
